

DOCCIA ALGHERO

Design essenziale, carattere duraturo

Con una silhouette curva e linee essenziali, DOCCIA-ALGHERO rappresenta la sintesi perfetta tra funzionalità ed estetica contemporanea. Realizzata in acciaio inox marino AISI 316L, offre una resistenza superiore in ambienti salini e umidi. La finitura satinata esalta la purezza delle sue linee, mentre l'integrazione di doccetta, doppio miscelatore e connessioni nascoste garantisce un'esperienza d'uso intuitiva e sofisticata. Un elemento che si inserisce armoniosamente in giardini, spa e spazi contract, apportando carattere e distinzione.

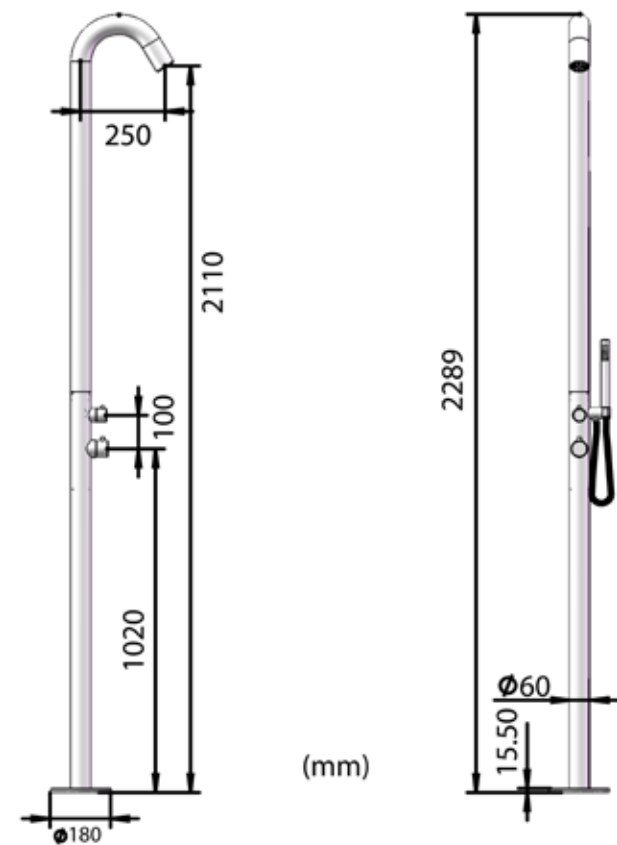

Essential design, enduring character

With a curved and refined silhouette, DOCCIA-ALGHERO embodies the perfect synthesis of functionality and contemporary aesthetics. Crafted from marine-grade stainless steel AISI 316L, it offers superior resistance in saline and humid environments. Its satin finish enhances the purity of its lines, while the integration of a hand shower, dual mixer, and concealed connections ensures an intuitive and sophisticated user experience. A piece that harmoniously integrates into gardens, spas, and contract spaces, bringing character and distinction.
