

AQUEA | V-LOCK LID

THE LOCKABLE CONCEALED ACCESS LID FOR SKIMMER BOXES

V-LOCK's unique locking system provides superior safety for pool owners, and simplifies Australian standards compliance for pool builders.

The flush-fitting lid is easy to install and blends into the pool surrounds. The V-LOCK range includes models to suit tile, stone and timber deck finishes.

V-LOCK's advanced engineering polymer delivers superior strength, rigidity and weatherability without the need for electrical bonding.

KEY FEATURES:

- ▽ Lockable lid for superior safety
- ▽ Seamless access to pool deck equipment including skimmer boxes
- ▽ Reinforced polymer construction eliminates the need for electrical bonding
- ▽ Versatile range for tile, stone and timber inlays
